START PROGRAM AT THE UNIVERSITY OF QUEENSLAND				

“I am impressed with the academic quality of the course and the dedication of the teachers. They genuinely care about our personal growth. Being a part of UQ College feels like I am already a part of The University of Queensland. This has given me the confidence to pursue my career pathway even further.”

Taylor Maree Livesey-Abreu
Tertiary Preparation Program student

Tertiary Preparation Program

This program is designed to help you gain a Tertiary Selection Rank and meet undergraduate degree program pre-requisites.

Delivered at our St Lucia campus you'll get the feeling you're well on your way to reaching your goal of going to UQ. You'll be attending classes between 20 to 24 hours per week, with class sizes up to 25 students. You'll have access to our exclusive UQ College learning support services and teacher consultations in our dedicated UQ College Learning Centre plus access to the clubs and societies that all UQ students can enjoy.

START DATES	7 October 2024	17 February 2025
How to apply	Directly via the UQC website Complete a Language, Literacy and Numeracy assessment Attend an interview	
Application closing date	26 August 2024	11 December 2024
Commence at UQ	Semester 2, 2025	Semester 1, 2026

Program

You can choose four to five courses from the suggested streams below to help meet the pre-requisites and or get a taste of what you may be studying in the faculty when you get to UQ. The option to mix courses from different streams is available and our team can provide you with advice on course selection when you enrol.

FACULTY	Faculty of Humanities, Arts and Social Sciences	Faculty of Business Economics and Law	Faculty of Engineering Architecture and IT	Faculty of Health, Medicine and Behavioural Sciences	Faculty of Science
CORE COURSE	Academic English				
Choose four electives based on undergraduate pre-requisite requirements. Note you can only choose one Mathematics course.	<ul style="list-style-type: none"> Behavioural Science Business Management Economics Humanities and Social Sciences Research 	<ul style="list-style-type: none"> Accounting Business Management Economics Research General Mathematics Mathematical Methods 	<ul style="list-style-type: none"> Chemistry Design Information Technology Physics General Mathematics Mathematical Methods 	<ul style="list-style-type: none"> Behavioural Science Biology Chemistry Health and Nutrition Physics General Mathematics Mathematical Methods 	<ul style="list-style-type: none"> Behavioural Science Biology Chemistry Health and Nutrition Physics General Mathematics Mathematical Methods
Students can attain a Selection Rank of up to 93					
Apply through QTAC					
THE UNIVERSITY OF QUEENSLAND UNDERGRADUATE DEGREE					

By completing the program, you can attain a Selection Rank up to 93 which will get you entry into most UQ programs when you apply through QTAC.

The other great thing about this course is that it is fully funded by the Federal Government, with no cost to you.

To be considered for the program you need to be at least 18 years old or have completed year 12.

For further information and to apply directly for our October 2024 intake, visit our website uqcollege.uq.edu.au/study-options/tpp

Bridging Programs

If you are confident in your ATAR, but need to meet undergraduate pre-requisite subject requirements, this is your pathway. You have two options.

OPTION 1

Face to Face Bridging Program

Commence at UQ Semester 1, 2025

Experience studying at the St Lucia campus. This is an intensive short course taking place over four weeks. Successful completion of an individual course will satisfy the prerequisite requirements in Mathematical Methods, Physics, Chemistry or Biology at The University of Queensland.

Date	18 November to 13 December 2024
Class time	Monday to Friday, 9am to 5pm
Applications open	Monday 29 July 2024
Applications close	Monday 11 November
Cost	\$1,500 per course

To support students from a Low Socio-Economic background, Regional students and Aboriginal and Torres Strait Islander students a bursary is available. Bursary places are limited.

On campus accommodation is also available at Emmanuel College. Includes 3 meals a day and an individual room.

For more information and to apply go to uqcollege.uq.edu.au/study-options/bridging-program

OPTION 2

Online

Certificate IV in Adult Tertiary Preparation (11240NAT) individual units

Commence at UQ Semester 1, 2026

Delivered online in the evenings over a 30-week period, you'll have the support you need to reach your goals and commence at UQ in Semester 1, 2026. You can choose to study up to two pre-requisite units in either General Mathematics, Pure Mathematics (equivalent to Mathematical Methods), Chemistry or Biology. If you are choosing Biology or Chemistry, you will need to take a trip to our St Lucia campus for face-to-face laboratory sessions, and one field trip to Nudgee Beach (for Biology).

Date	13 January to 19 September 2025
Class time	7pm to 9pm (AEST) days will depend on your subject choice
Applications open	1 July 2024
Applications close	16 December 2024
Cost	\$1,220 – General Mathematics and Biology \$1,830 – Pure Mathematics and Chemistry

For more information and to apply go to uqcollege.uq.edu.au/study-options/vet-programs/certificate-iv-in-adult-tertiary-preparation

Certificate IV in Adult Tertiary Preparation 11240NAT

An online option to help you attain a Tertiary Entrance Rank and/or meet the pre-requisite subject requirements for undergraduate degree programs.

It is recognised as a Year 12 alternative and is ideal for students needing an online study option or for adults who have not participated in formal study for some time.

To attain the full qualification, you will need to complete three English units you need to select another two or three course areas comprising six units from General Mathematics, Pure Mathematics (equivalent to Mathematical Methods), Chemistry, Biology or Psychology.

Delivery

You'll have synchronous evening classes and consultation session via Zoom with our highly qualified teachers. Classes take place Monday to Thursday from 7 to 9pm and you'll need to commit around five hours per unit, per week over three terms (10 weeks per term).

If you take Biology or Chemistry units, you'll also be required to attend face-to-face laboratory sessions at our St Lucia campus and one field trip to Nudgee Beach in Brisbane (Biology only). For completion of the Biology or Chemistry units, attendance at these activities is compulsory and non-negotiable.

How to Apply

To apply you will need:

- Unique Student Identifier
- Be an Australian or New Zealand Citizen or hold a permanent visa
- Be at least 18 years old or turning 18 within the enrolment period

Applications open	1 July 2024
Applications close	16 December 2024
Cost	\$5,490 full fee
2025 subsidised training: student co-contribution fees	\$2,358 no concession card \$1,836 with concession card

For more information and to apply go to uqcollege.uq.edu.au/study-options/vet-programs/certificate-iv-in-adult-tertiary-preparation
