Important Information

- Any external sources of funding could affect the Federal Student Aid you are eligible to receive. It is incumbent on you to notify the Financial Aid team as soon as you are aware of any changes to your financial situation which may include scholarships, grants or bursaries.
- Eligibility relies on students being enrolled in subjects delivered on campus and enrolled at least half time. Enrolling in correspondence subjects automatically renders students ineligible for Federal Student Aid.
- Students must maintain satisfactory academic progression (SAP) each semester. Information on SAP can be found on the University of Queensland Financial Aid website.
- We require notification of your intent to take a leave of absence (LOA). Your LOA must meet the criteria in the Code of Federal Regulations 34 CFR 668.22(d) to be approved as a temporary interruption instead of a withdrawal. Contact the Financial Aid team at financialaid@uq.edu.au for more information.

Authorisation to Hold Tuition Credit Balance

I hereby authorise the University of Queensland to retain on my student tuition account, any credit of US Federal Loans created by changes to my enrollment, changes to the student amenities fee or any situation where a credit arises and that credit can be tied to a previous payment of US Federal Loans from the US Department of Education.

The credit can be used to pay future tuition fees or the student amenities fee for the duration of the current loan period only. The current loan period is the period of study that applies to this application, the maximum being 2 semesters or 4 research quarters.

I understand that I may refuse to provide this authorization by checking the "No" box below. If I select "No", this means I elect to opt out of this authorisation and I understand any credit of US Federal Loans created by changes to my enrolment will be automatically refunded to the bank account I last received my loan stipend.

☐ **Yes** ☐ **No** _____ **Initial**

This authorisation can be cancelled at any time by sending an email to financialaid@uq.edu.au. Please note, cancellations are not retroactive.

I understand that any credit of US Federal Loan funds cannot be held by the University past the end date of my loan period even if I have provided authorisation to do so. At the end of the current loan period, any credit on my student tuition account that can be tied to a US Federal Loan payment will be refunded to the bank account I last received my stipend.

☐ **Yes** _____ **Initial**

Student Declaration

- I agree and acknowledge that I may be required to pay back funds to The University of Queensland (UQ) if the institution is at any time required by law to reimburse my loan funds to the US Department of Education, its lenders or guarantors.
- I am aware that I am obliged to notify the Financial Aid team of any change to my enrolment or circumstances that may affect my eligibility as soon as practical.
- I understand that loan funds will be applied to my tuition account to first pay off any balance owing and then the balance will be disbursed to my nominated bank account for living expenses.
- I confirm that I have read, understood, and agree to be bound by the Federal Student Aid eligibility criterion described on the UQ Financial Aid website.
